SC to speak to classes about values. Come up with at least 5 core values from each class. Share this at the next SC meeting.	Everyone but one class has collected their class values. Mr Doxey will share with Mrs Meer when the last class completes, this needs to be done by 31 st Jan.	SC

Minutes of meeting:

- **RD welcomed all students to the meeting. Reminder about being prompt and remembering the meetings for all students. Wednesday. 12:15. Rosewood. (With the occasional exception)**
- **Discussed the actions from the previous minutes.**
- **SC to fill in excel sheet as only a few had managed. Mr Doxey has explained to ask a teacher to access this if they can't from home. We won't be getting the expensive Japanese style toilets, nice thinking though.**
- **We shared and looked at the values that the SC came up with when they discussed with their class. Lots of similarities and really good ideas that Mr Doxey will share in the SLT meeting.**
- **Mr Doxey has the school council to go and think about what is going really well in school at the moment. It could be linked to clubs, lessons or lunchtimes. He also asked them to think about something that we could improve in school. Just one or two things and no need to review the toilets as they are already on the agenda.**
- **Next meeting is 7th February 2025**

Actions to be completed before the next meeting:

Action	To be completed by
Make sure the toilet improvement form is completed by all SC members. Speak to your teacher if you need access to a computer for next meeting.	All SC

Make sure every class has done their school values and sent to Mr Doxey by 31 st January	SC
Reflect on what is happening in school and write down something that you think is going really well and something that you think the school could improve. No need to discuss toilets.	SC

Does anyone need inviting to the next student council meeting? E.g., Governors, senior leaders, catering etc.?
