## MESSAGE FROM THE CEO

As we near the end of the autumn term at Scholars Academy Trust, I want to take a moment to extend my heartfelt gratitude to all members of our community for their unwavering hard work and dedication this term. Our schools have experienced several changes as we relentlessly strive to ensure that every child receives an excellent education and the opportunity to develop their character in a safe and caring environment. Our commitment remains firmly rooted in placing the children at the center of all our endeavors as we continually strive for excellence across our schools.

This term has been marked by various events, from heartwarming Christmas productions to engaging parent craft mornings, and the implementation of new approaches and strategies. Witnessing our children's performances and observing their embodiment of strong values fills me with immense pride. The team and I remain committed to achieving the very best for our children. We eagerly anticipate implementing further changes and enhancements as we progress.

In the meantime, I extend warm Christmas wishes to you all. Let us take this time to cherish moments with family and loved ones and extend our care to those who may find themselves alone during this festive season. Together, our collective efforts in both work and compassion contribute to making our world a better place.

Please note that the first day of the spring term is scheduled for Tuesday, January 9th.

Once again, I want to express my deepest gratitude for your incredible support, and I wish each of you a safe, enjoyable, and memorable Christmas break.

Warm regards,

Sam Coy

## SCHOLARS TRUST

### Attendance

This term has naturally posed problems with attendance as there has been an influx of colds and illness going around. Attendance has been challenging across our schools and despite there being many well founded reasons for this its a good time to remind our community of the focus on pupils attendance and the importance of maintaining high attendance to ensure our students don't miss out on valuable learning opportunities. Please ensure you support our school leaders by following's attendance procedures and doing your very best to ensure the best attendance possible for our children. Any issues please don't hesitate to discuss with the school leadership teams.

## UPDATES

- Launde Primary School had an Ofsted inspection in November- The inspection letter can be found on the school website
- We have been working with other trusts to share knowledge and continue to develop.
- Mr Doxey is joining the team as a New Assistant Headteacher at Launde. Please extend a warm welcome to him.
- Our Schools have taken part in a rang of fundraising activities to support charities at home and abroad. These have been well supported and we are grateful for our school communities kindness
- Continued works are set to happen over the next few months to continue to improve our sites.
- Trust wide parent survey will be going out next term so you can share your views on the school with trust leaders and Trustees.
