Route to Resilience

Launde are pleased to share with parents that we have been successful in becoming an accredited school in the 'Route to Resilience' programme. This shows that the school has a practical approach to supporting families and helping to develop the emotional wellbeing and resilience of children and young people. Launde is one of 95 schools across Leicester, Leicestershire and Rutland to complete the programme, a real achievement that we are very proud of.

Parking

We have had several number plates given to us from residents on Uplands Road, the following cars have been blocking entrances to homes and parking on double yellow lines.

GL57 AZW Black BMW
EY67 GXS White BMW
FT13 UTF White Jaguar
FL66 UGV Black Audi
M40 GRA Silver Audi
S17 YDN Grey Mercedes

Residents are also concerned about the possibility of high emissions in the area as they say parents are leaving engines running especially in this cold weather. Do turn engines off when you wait. Thank you.
