Aims

- This policy aims to:
 - Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
 - Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
 - Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

- The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.
- To avoid discrimination, our school will:
- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow pupils to wear headscarves and/or other religious garments
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with the Headteacher who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

Limiting the cost of school uniform

- Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education (DfE) on the cost of school uniform.
- We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers' ability to 'shop around' for a low price.
- We will make sure our uniform:
 - Is available at a reasonable cost
 - Provides the best value for money for parents/carers

- We will do this by:
 - Carefully considering whether any items with distinctive characteristics are necessary
 - Limiting items with distinctive characteristics to low-cost and/or long-lasting items, such as ties
 - Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
 - Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
 - Avoiding different uniform requirements for different year/class/house groups
 - Avoiding different uniform requirements for extra-curricular activities
 - Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels
 - Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items
 - Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
 - Consulting with parents/carers and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
