

# Pupils' Comments 2016

Here are some of the comments pupils have made about PE over the year:

"I liked tennis because it taught me how to play tennis." (Aafiyah)

"Football after school was really good because you get to do training games than a big game or tournament." (Dylan)

"Last year I joined this club teaching you different throws and tactics for netball. I have enjoyed this dazzling club." (Sophia)

"I went to multi-skills club and I really enjoyed it. We did various different sports such as rounders, cricket and hockey. It was really fun and I learnt to play different sports I didn't know how to play before." (Sabeehah)

"I really enjoyed skipping club as we could keep fit and warm up in the cold weekdays. I really enjoyed it when we got to use the long ropes as it was a challenge and I am looking forward to doing it again. Many thanks." (Saara)

"I really liked playing dodgeball because the coach was lovely and so were the people doing it." (Joshua)

"I think rounders is a great club and will make everyone in this club a fast runner and active." (Karan)

"I really enjoyed basketball even though we lost. This is because the whole experience was really fun. It did make me very excited and scared because we were competing against year 6's." (Kimi)
