

Launde Parents' Group

Following the Launde Parents' Group AGM in October 2018, we have a new group of core members.

With a new core group comes a refreshed focus and we wanted to take this opportunity to provide a recap on who we are, what we do and why we need your involvement to support our events.

We are a registered charity whose aim is to carry out engaging, fun and social activities for the children and their families in order to raise funds. We have hosted many discos and summer/winter fairs. Although we share some members, we are separate to the Friday coffee morning group.

These funds are then put to good use within the school to give our children those little extras. In recent years we have bought numerous benches and outdoor equipment for the children and have subsidised school trips too.

Fundraising activities are carried out throughout the year, but we can only make them fun and successful with your support. Every parent is a member of this group, but it is up to you to decide how much support you can give.

We will have regular meetings at school to discuss ways in which we can raise funds, plan events and also how we should spend the money raised. Everyone is welcome and new ideas and suggestions are always appreciated.

Our next meeting is Thursday 24 January

From 9am in Riverbank

Refreshments will be available.

Funds raised from our Santa's party and festive film nights last year totalled £798.34. Thank you to all of the parents, staff and teachers who helped us achieve this.

NEW CORE GROUP MEMBERS

Chair:

Kerry Roberts

Vice-Chair:

Sangha Banker

Secretary:

Julia Khoosal

Treasurer:

Jit Kaur

Events Committee:

Nital Popat

As you can see, we are a very small group! We would really like a few extra people to take a lead roll within the events committee.

Get in Touch!

You can contact us on....

parentsgroup@launde.leics.sch.uk

Or leave your name and contact number with a message at the office

Launde Parents Group Meeting
