- (i) "% achieving 5 + A* - C GCSEs (or equivalent) including English and Maths GCSEs";
- (ii) "% achieving the English Baccalaureate"; and
- (iii) "% of pupils making expected progress".

c) Information as to where and by what means the most recent report about the school published by the Chief Inspector may be accessed.

d) Information as to where and by what means the School Performance Tables published by the Secretary of State on the Department for Education's website may be accessed.

30B) There is no requirement to publish information under clause 30A if to do so would be in breach of the Company's obligations under the Data Protection Act 1998.

Exclusions Agreement

31) In respect of **Mainstream Academies**, the Company shall, if invited to do so by an LA, enter into an agreement in respect of an Academy with that LA, which has the effect that where:

- a) the Company admits a pupil to the Academy who has been permanently excluded from a maintained school, the Academy itself or another Academy with whom the LA has a similar agreement; or

- b) the Company permanently excludes a pupil from the Academy;

payment will flow between the Company and the LA in the same direction and for the same amount that it would, were the Academy a maintained school, under Regulations made under section 47 of the School Standards and Framework Act 1998 relating to the addition or deduction of a maintained school's budget following a permanent exclusion or the admission of a permanently excluded pupil. At the date of this Agreement, the applicable Regulation is Regulation 23 of the School Finance (England) Regulations 2011.

School Meals

- 32) The Company shall, if requested to do so by or on behalf of any pupils at any Academy, provide school lunches for those pupils unless it would be unreasonable for it to do so. Subject to the provisions of clause 33, charges may be levied for lunches, but the Company shall otherwise fund the cost of such school lunches from its GAG for **Mainstream Academies**, or from its resources for **Special Academies** and for **Alternative Provision Academies**.

- 33) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Company shall ensure that a school lunch is provided for such a pupil free of charge to be funded by the Company.

Charging

- 34) Sections 402 (obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours), 460 (voluntary contributions), 461 (recovery of sums as civil debt) and 462 (interpretation re charges) of the Education Act 1996 (including, for the avoidance of doubt, any secondary legislation made further to those provisions) shall be deemed to apply to each Academy with the following modifications:

- a) references to any maintained school shall be treated as references to an Academy;
- b) references to registered pupils shall be treated as references to registered pupils at an Academy;

- c) references to the governing body or the local authority shall, in each case, be treated as references to the Company;
- d) the Company may charge persons who are not registered pupils at an Academy for education provided or for facilities used by them at that Academy⁸.

International Education Surveys

34A) Section 538A of the Education Act 1996 (power to direct participation in international surveys) shall be deemed to apply to each Academy with the following modifications:

- (a) references to the governing body shall be treated as references to the Company; and
- (b) references to a community, foundation or voluntary school shall be treated as references to the Academy.

Pupil Premium

34B) For **Mainstream Academies**, and those **Special Academies** that receive Pupil Premium Funding⁹, the Company shall publish in each Academy Financial Year information in relation to:

- a) the amount of Pupil Premium allocation that it will receive during the Academy Financial Year;
- b) on what it intends to spend the Pupil Premium allocation;
- c) on what it spent its Pupil Premium in the previous Academy Financial Year;
- d) the impact in educational attainment, arising from expenditure of the previous Academy Financial Year's Pupil Premium.

⁸ For clarification, such charging is separate and distinct from any arrangement that the Company may make with Commissioners concerning the referral of pupils to the **Alternative Provision Academy**.

⁹ The Pupil Premium is additional funding for schools to support pupils from low-income families. In instances when those pupils are in special settings, the funding can either be allocated to the setting where they are being educated, or held by the local authority to spend specifically on additional educational support to raise the standard of attainment for these pupils. The authority must consult non-mainstream settings about how the Premium for these pupils should be used. Where Pupil Premium is allocated to the Special Academy by the Local Authority, the company must publish information as set out in clause 34B. There is no requirement for Alternative Provision settings to publish such information.

DURATION OF SCHOOL DAY AND YEAR

34C) In respect of **Mainstream Academies and Alternative Provision Academies**, the duration of the school day and year will be the responsibility of the Company.¹⁰

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

35) The Secretary of State shall pay grants towards Recurrent Expenditure and may pay grants towards Capital Expenditure for each Academy. Except with the Secretary of State's prior agreement, the Company shall not budget for its expenditure in any Academy Financial Year in excess of expected income (subject to clause 80). The Company shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Company shall commit the Secretary of State to paying any particular amount of grant.

36) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 37. The Secretary of State shall pay two separate and distinct grants in respect of recurrent expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

Capital Grant

37) "Capital Expenditure" means expenditure on:

- a) the acquisition of land and buildings;
- b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c) the installation of electrical, mechanical or other services other than necessary replacements, repairs and maintenance due to normal wear and tear;

¹⁰ In respect of **Special Academies**, regulations made under section 551 of the Education Act 1996 apply (currently the Education (School Day and School Year) (England) Regulations 1999).

- d) the purchase of vehicles and other self-propelled mechanical equipment;
- e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;
- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation other than necessary replacements, repairs and maintenance due to normal wear and tear;
- h) works of a permanent character other than the purchase or replacement of minor day-to-day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

“Capital Grant” means grant paid to the Company in respect of Capital Expenditure.

- 38) Where an Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State, may, in his absolute discretion be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.

39) Any Capital Expenditure incurred in respect of each Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.

40) Any payment of Capital Grant to the Company under this Agreement is subject to the fulfilment of the following conditions:

a) such grants are used solely to defray expenditure approved by the Secretary of State;

b) the Company certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place;

c) any other conditions that the Secretary of State may specify.

Arrangements for Payment of Capital Grant

41) Capital Grant will be paid by the Secretary of State to the Company on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

General Annual Grant

41A) GAG paid by the Secretary of State in respect of an Academy shall only be spent by the Company towards the normal running costs of the Academies.

42) Clauses 42A to 53 apply in respect of **Mainstream Academies** only.

42A) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each **Mainstream Academy**. These will include, but are not limited to:

a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);

- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c) employees' expenses;
- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g) insurance;
- h) medical equipment and supplies;
- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration; and
- m) establishment expenses and other institutional costs.

- 43) Subject to clauses to 51-52, GAG for each Academy Financial Year for each **Mainstream Academy** will include;
- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
 - b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.
- 44) The GAG for each Academy Financial Year for each **Mainstream Academy** will also include, payable on a basis equivalent to that applied to maintained schools:
- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
 - b) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.
- 45) Subject to clause 47, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which a **Mainstream Academy** opens shall be the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State.
- 46) Subject to clause 47 the basis of the pupil number count for the purpose of determining GAG for a **Mainstream Academy** for Academy Financial Years after the Academy Financial Year in which the Academy opens will be:
- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
 - b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil

numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

47) Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:

- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or
- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been 90% or more of that number.

48) For any Academy Financial Year in which GAG for a **Mainstream Academy** has been calculated in accordance with clause 45, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.

49) For any Academy Financial Year in which GAG for a **Mainstream Academy** is calculated in accordance with clause 46, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on balances. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

50) The Secretary of State recognises that:

- a) in relation to **Mainstream Academies** which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size

(the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively¹¹;

- b) in relation to **Mainstream Academies** which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant **Mainstream Academy** to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

52) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant **Mainstream Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.

¹¹ Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.

53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Mainstream Academy or Mainstream Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54) Not used.

54AAA) Clauses 54AA to 54H apply in respect of **Special Academies** only.

54AA) GAG will be paid by the Secretary of State to the Company as a contribution towards the normal running costs of each **Special Academy**. These will include, but are not limited to:

- a. teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b. non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c. employees' expenses;
- d. the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e. examination fees;
- f. repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;

- g. insurance;
- h. medical equipment and supplies;
- i. staff development (including in-service training);
- j. curriculum development;
- k. the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l. administration; and
- m. establishment expenses and other institutional costs.

54A) Subject to clauses 54E – 54F, GAG for each Financial Year for each **Special Academy** will include:

- a) funding equivalent to that which would be received by a maintained special school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained special school.

54B) The GAG for each Academy Financial Year for each **Special Academy** will also include, payable on a basis equivalent to that applied to maintained special schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained special schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.

54C) The Secretary of State will determine GAG for each Special Academy for each Academy Funding Year. The determinations will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of funding or its equivalent.

54D) The Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant academy at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding.

54E) The Secretary of State recognises that a larger GAG may be appropriate to meet additional costs during the start-up period, and may pay start-up grant, on a basis determined by him, during that period, the length of which will be stipulated in the Annual Letter of Funding¹².

54F) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant **Special Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 54A-54D, in order to enable the Academy to operate effectively.

54G) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Special Academy or Special Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54H) Not used.

54I) Clauses 54J to 54P apply in respect of **Alternative Provision Academies** only.

¹² Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.
