

Dear Parents and Carers

Settling back in

It has been lovely to teach your children on site and reestablish connections between our school community again.

Our assemblies this week have further supported the children as they have settled back into school routines by exploring the subjects of 'respect' in KS2, and 'good listening' in KS1. As ever the children have impressed us with their understanding of these terms and what it means for their behaviours and attitudes towards learning, each other and their carers at home. A Year 1 child used the word 'focus' which was a brilliant word choice – well done Year 1!

Routines have been established and teachers say that all the children have come back with a really good attitude to learning. Next week, teachers will be setting small tests and questions to establish what knowledge the children have retained so that planning for the summer term curriculum is specific to the children's needs.

Summer Term

We have been looking ahead to the summer term and have put in some key dates that we thought you would appreciate knowing in advance. Virtual SEN/Pupil Premium meetings will be taking place the week beginning 17 May. Parents will have the opportunity to review their child's IEP and agree the targets for the new IEP.

We have also planned in Parents' Evenings on the week of 24 May, to meet all our parents and to provide you with the opportunity to speak to your child's class teacher about their progress over the half term and how your child can be supported. These will be held virtually via a Parents Evening App. Parents will have to book the slots themselves online. This will mean that those parents with siblings can book times to suit them. We will be sharing information of how to do this after the Easter break.

Unfortunately, we will not be able to undertake day visits or residentials during the summer term following government guidelines. However, we will be planning a sports day for the children but this will be an in-house event as we will not be able to have large numbers of people on site.

Welcome Evenings are planned in so that parents can have the opportunity to meet their child's new year group team. These will be via zoom, same as last year. Parental feedback was that these were successful and removed the need for babysitting and travel worries so we will be keeping them virtual this year too.

We hope this gives you a flavour of what we are planning for the summer term and more details about events will be sent to you nearer the time.

Covid vaccine virtual information session and FAQ

Another community event our school is part of is a virtual information session about the Covid 19 vaccination. This is being led by prominent figures in Oadby that many of you will recognise through your connections in the community. It will be a valuable chance to find out facts about the vaccine

and to ask questions directly to professionals. This is planned for the first week back after the Easter break. We do encourage you to sign up to one of the sessions.

This week the government published a blog on vaccinations and frequently asked questions. Click here for the link. [Covid-19 vaccines – frequently asked questions](#).

Red Nose Day

Red Nose Day today was a super example of how successful our school community can operate within the Covid 19 restrictions. We enjoyed seeing the children - and staff – in their pyjamas, completing activities in their year groups to find out about this worthy cause. We managed to raise around £1,240! We will confirm the final total next week.

Planet Super League 2

LeicesterCity
in the Community

Planet Super League (PSL) is a new competition aimed at using the amazing power of football to inspire families to act on climate change. Over the course of PSL 1, 40 different green challenges were set to families around their everyday lives, from trying out plant-based food to travelling by bike or walking.

Can you help LCFC win the league and lift the cup again?! The project is simple, we will ask you to register against your club and school by visiting <http://psl.football>, register your details and school from the pre-populated dropdown list and prepare for the big kick off on Saturday 27th March.

There will be a large selection of fun activities for PSL 2 online which are simple to complete at home and can be done flexibly around your lives to make this easy, enjoyable, and pressure-free for you and the family! The activities will help you save money, have fun as a family and be more sustainable, all whilst representing Leicester City in the Community!

Great Big Oadby and Wigston Easter Egg Hunt

Join in the fun of the Great Big Oadby & Wigston Egg Hunt, over the Easter Holidays (27 March - 6 April) bright and colourful Easter Eggs will be popping up in parks and other places across Oadby, Wigston and South Wigston for people to find. And we want you to get involved.

Eggs will be on an A4 sized posters with an individually assigned code. To join in and get your certificate, you'll need to collect as many of these codes as possible and enter them in the form available at:

<https://www.activeoadbywigston.org.uk/egghunt>
