

Dear Parents and Carers

We hope you have had a lovely Easter break. We are delighted to be working with your children this week. They have returned full of enthusiasm, smiles and a keenness that has been a delight to witness.

Attached to the newsletter is a letter from the LA to all parents in Leicestershire.

School Uniform

The children have come back looking very smart this term. Please may we remind all our families of the importance of a smart school uniform in the coming weeks. This fosters a sense of community and by adhering to the school dress code, allows the children to focus on the learning.

Towards the end of last term, there were a few children with rather colourful headbands on. Do remind the children to keep these for the weekend and evenings.

Celebrations

This week we know that many of our families are spending special time together as a family. Whether it be beginning Ramadan, or celebrating Vaisakhi, we send our best wishes to all those involved.

The Big Pedal 19 – 30 April

Next week, there is a national challenge beginning called The Big Pedal 2021.

This is the largest inter-school cycling, walking, wheeling and scooting challenge that encourages children and their adults to be active. Their vision is for a society where the way we travel creates healthier places and happier lives for everyone.

How it works:

- Each day schools see who can record the greatest number of children cycling, walking and scooting to school
- All schools will be entered into a daily prize draw to win sports equipment

We know that some of our families live a rather long way from school so it will count if you park further away from school than normal and walk the rest. Further away for our school means West Avenue, Beechwood Close etc.

We hope as many of our families can take part and enjoy the health benefits that this extra exercise brings! Please see the attached leaflet for links to the website.

Respecting Privacy

Just a reminder that we ask you to respect the privacy of others while on the school site. If you must use your phone while dropping off or collecting your child, please do not use the video feature. Thank you.

Parking

Please park with consideration to our neighbours and the general public. The zig zags outside school and double yellow lines should not be parked on as per the Highway Code. We are mentioning this again as we have had a number of complaints. We have advised them to contact the police so please be warned.

Covid Rules and Reporting

If your child, or anyone in your household, has symptoms of Covid the rules remain the same; to self-isolate and go for a test. You must let the school know immediately if anyone in your household tests positive. If it is your child directly and you get the results over the weekend please contact us via covidresponse@launde.leics.sch.uk so that we can inform the relevant people.
