Dear Parents and Carers

This week we have been exploring our achievements in assemblies inspired by the fantastic achievement of Emma Raducanu last Saturday. Children have been thinking about their own achievements and their goals and ambitions for when they are 18. It was lovely to hear all their aspirations, from football players to authors, astronauts to scientists.

Enrichment

We have lots of events coming up as part of enrichment offers for the children. There are also workshops and meetings for parents to ensure you are involved in the school. Keep an eye on the school dates listed each week, and do remember to check emails regularly.

Class and individual photos

On Tuesday 21 September we will be welcoming a photographer in to school to take photos of individual children and whole class groups. As we are maintaining our year group bubbles, we will not be having sibling photos this year.

The children have been coming to school looking fantastic in their uniform. Thank you to all of you for ensuring that they always look smart and presentable. Please send them in their full uniform on Tuesday. If it is a PE day for them, please send PE kit in a separate bag for them to change into for just this one day.

Information regarding the ordering of photos will be sent out after Tuesday.
