

Parking

As always, we have started to have complaints about parents' parking in inappropriate places. Please can we ensure that this does not become an issue this year so that we nor the police have to get involved in this matter. Again, a reminder that parents are not allowed to park in the school car parks when picking up or dropping off children. Car parks are strictly for the use of staff and visitors to the school.

Parents' Workshop

A reminder to the parents' of children in the foundation stage that the maths evening will take place on Tuesday 10 September at 6pm in the school hall. This workshop is for parents' only.

School Photos

The school photographer will be coming to school to take individual and family photographs on Wednesday 18 September. Please note the family photos means siblings only and not cousins who may be in the school. We look forward to seeing the children looking smart for their annual school photo.

Operation Encompass

Operation Encompass is the reporting service to schools, prior to the start of the next school day, when a child or young person has experienced, any domestic abuse by being in the same house of where it occurred whether they witnessed it or not.

Should any parent require support on this matter please see any of the school staff who will let the key staff know. Should the school also become aware of a child suffering from the emotional abuse as a result of domestic violence we are duty bound to refer the matter to social services who will provide appropriate support to the family.

Operation Encompass has also ensured that members of the school staff, known as a Key Adults, are trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been experienced a domestic abuse incident.
