

Year 6 – Harvest

We would like to thank all the parents for their contributions for the Harvest as you can see in the photo below. The assembly was lovely and the food has now been collected by the Salvation Army.

Children in Need

As always our main charity is Children in Need. There will be much happening during the week and the class teachers will keep the children informed as to when events will be taking place during that week. On the day, Friday 15 November, the theme is animals, so we look forward to seeing all the children in fancy dress as animals. As a contribution towards Children in Need, we will be asking children to pay £1 for dressing up.

In order for our children to really appreciate the importance of charity and giving to help those who may not have all the luxuries we have or are struggling due to other circumstances; we would encourage children not to choose the bank of mum and dad but to give up something and use that money to help the fund raising. This could be giving up crisps for a couple of weeks, or use their pocket money, or not buy the latest magazine or other things that they regularly ask you for. By giving up something valuable to them they might begin to appreciate the lives of others in some small way and understand that some children never have those treats that our children take for granted.
