Spring Term 2022

Hope you all had a lovely break !

¡ Feliz Año Nuevo !

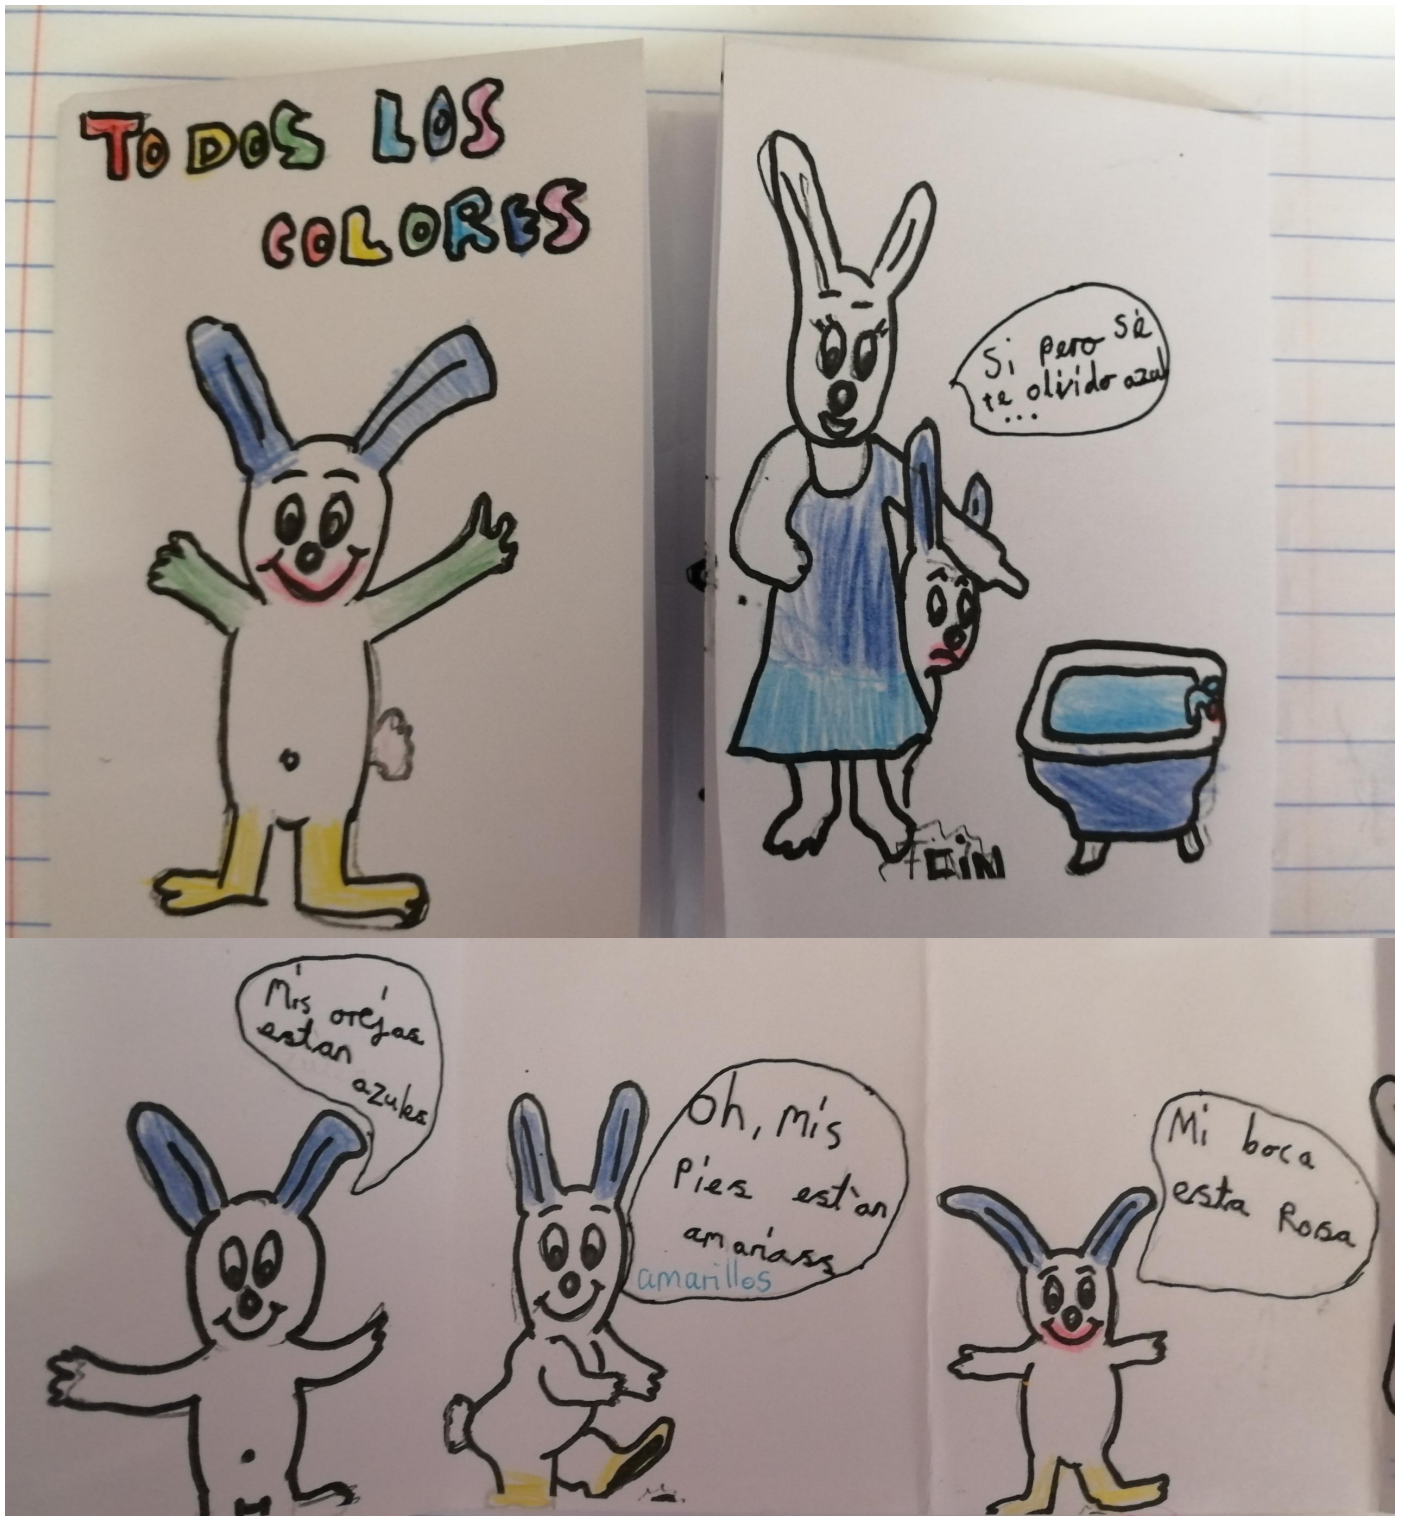

AUTUMN TERM

What a busy term we had! I would like to share with you some of the fantastic work which was produced last term by our Year 3 children who learnt to name and describe parts of the body, writing their own version of a story we read, and Years 5 and 6 who learnt to talk about their school day and created a film to share that information with our Argentinian partner school.

French club

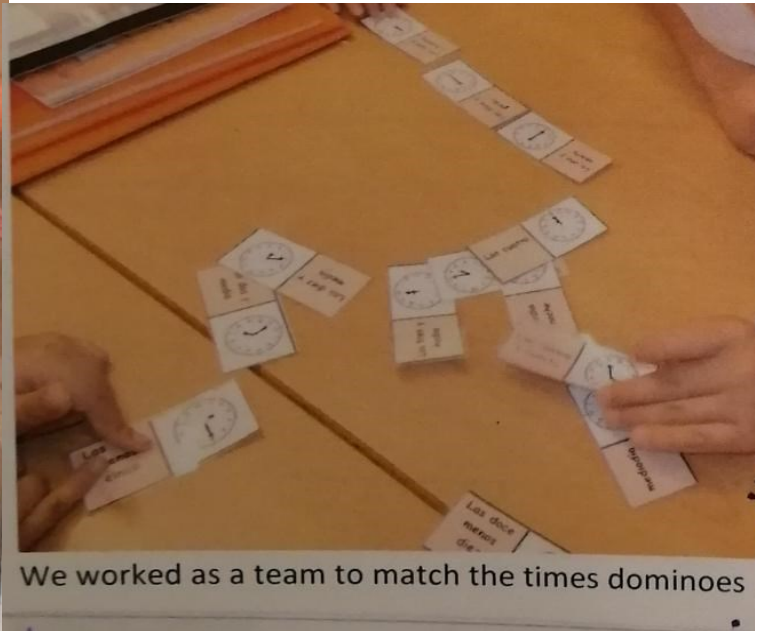

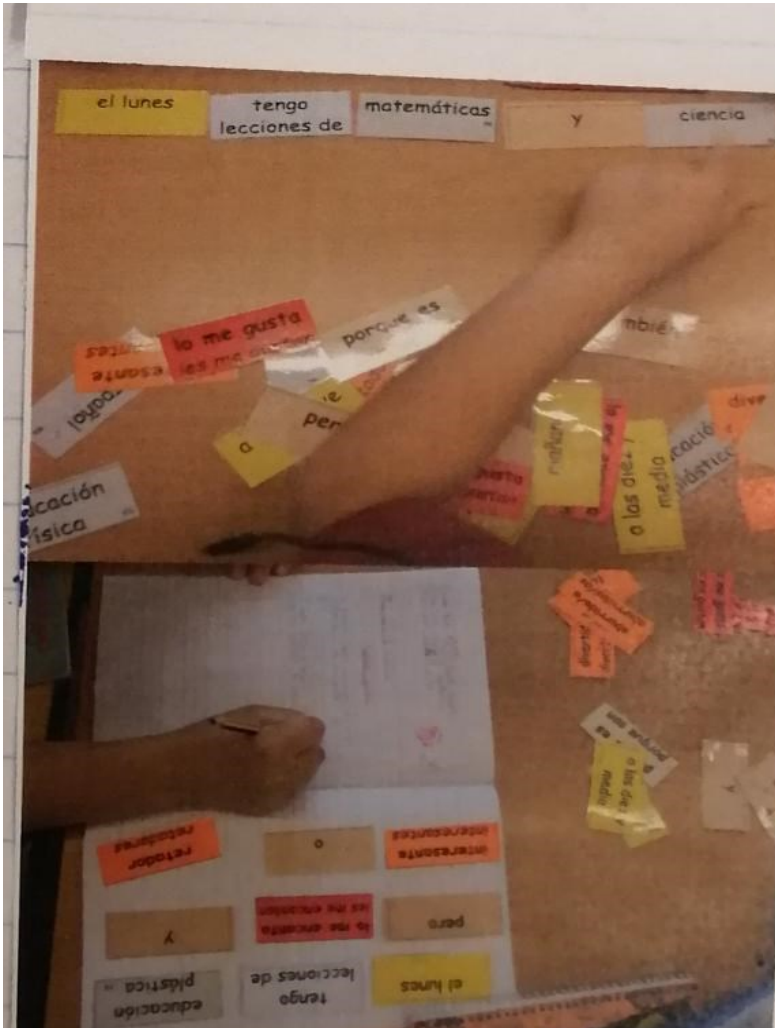

We learnt about a typical French breakfast and how to order food. Then we enjoyed tasting a French breakfast!

We wrote and sent Christmas wishes to our partner school in Madrid and have exchanged information with a partner school in Kenya to find out what their school life is like.

By Year 3, inspired from the story by Alex Sanders 'Toutes les couleurs.'

Year 5 and 6

We worked as a team to match the times dominoes

Miércoles diez de noviembre

El miércoles tengo lecciones de matemáticas lo me gusta porque es interesante y divertido. ✓

El miércoles tengo lecciones de español lo me gusta porque es divertido. ✓

El lunes tengo lecciones de educación no lo me gusta porque es difícil. ✓

El lunes tengo lecciones de educación física lo me gusta porque es (interesante) pero no me gusta inglés. interesante ✓

We wrote and sent Christmas wishes to our partner school in Madrid.

SPRING TERM THEMES

Year 2 will begin learning to identify masculine and feminine nouns and how adjectives in Spanish must agree with their nouns and therefore applying some tricky grammatical rules ! They will continue learning to write the date, recap and extend numbers to 31 and say when their birthday is. They will also begin to name and describe parts of the body.

Year 3 will learn to name animals and continue working on using adjectives for description.

Year 4 will learn to name some fruit and vegetables ,talk about likes and dislikes, based on reading 'La oruga muy hambriega'.

Years 5 and 6 will learn to talk about the weather, reinforce telling the time to the nearest hour and keep working on number patterns to 100, while reinforcing what they have previously learnt.

Singing and phonics (and lots of fun!).
